

SWISS BUSINESS

INTRODUCING THE AIRBUS A330-300 FEATURING THE NEW SWISS BUSINESS SEAT WITH INNOVATIVE AIR COMFORT SYSTEM

Ultimate sleeping comfort:

- fully horizontal lie-flat bed, 79 inches long

Revolutionary air comfort system:

- enables individual settings: the firmness of a futon or softness of a waterbed - or anything in between
- is placed in all body-contact areas: back-rest, seat-cushion, leg-rest

More personal space:

- more privacy
- better mobility within cabin; most seats have direct aisle access
- more storage space

Entertainment – the sky is the limit:

- perfect viewing with new large 12.1” high-resolution 16:9 screens
- choose from a large selection of music, films, games, information channels
- connect your own tools to USB and iPod plugs

The new Airbus A330-300 aircraft operates daily from

JFK – ZRH on:

LX 17 on Wed/Fri/Sat/Sun

LX 15 on Mon/Tue/Thu

and daily from ZRH – JFK on LX 14.
